Mr. William R. King, Acting Director  
Executive Seminar Center  
Kings Point, New York

Dear Mr. King:

I have referred your request for a copy of the CIA emblem to our Public Affairs Staff. That office has assured me that an official Agency Seal will be furnished you within a few days.

Thank you for your expression of interest in our organization. Good luck to you in your project to assemble insignia from all agencies which participate in the Center's program.

Sincerely yours,
